SIMÓN MÁRQUEZ RAMÍREZ

Systems Engineer | Oracle Cloud Infrastructure | Oracle Integration Cloud | Kubernetes | Integration Developer
Bogotá, Colombia | +57 316 819 2421 | simon.marquezok@gmail.com | LinkedIn | GitHub

Professional Summary

Systems Engineer with professional experience designing, implementing and supporting enterprise cloud solutions using Oracle Cloud Infrastructure (OCI) and Oracle Integration Cloud (OIC). Experienced in Oracle Kubernetes Engine (OKE), Kubernetes administration, API Gateway, Oracle Functions, Oracle Database, Azure DevOps, CI/CD and production support. Delivered enterprise integrations connecting SAP ERP, FTP/SFTP, REST/SOAP APIs, queues and cloud services.

Key Competencies

OCI, OKE, Kubernetes, OCI DevOps, Azure DevOps, CI/CD, Oracle Integration Cloud, REST, SOAP, OAuth2, XML, JSON, XSLT, SAP ERP, FTP/SFTP, API Gateway, Oracle Functions, Oracle Database, SQL, Java, Python, C++, Next.js, Monitoring, Incident Management, Troubleshooting, Cloud Governance.

Professional Experience

Oracle Cloud Infrastructure Developer | Cetus Technology | Jul 2025 – Present

Designed, configured and supported OCI infrastructure.
Managed OKE workloads including Deployments, Services, Ingress, ConfigMaps, Secrets and LoadBalancers.
Diagnosed Kubernetes production issues using kubectl, logs and events.
Supported containerized Java microservices and rolling deployments.
Developed OIC integrations with SAP ERP, FTP/SFTP, REST/SOAP APIs, queues and Oracle Functions.
Published secure APIs through Oracle API Gateway using OAuth2.
Managed repositories and CI/CD pipelines with Azure DevOps.
Supported Oracle Database operations and production troubleshooting.

Teaching Assistant – Data Structures | Pontificia Universidad Javeriana | Jan 2026 – May 2026

Mentored students in data structures, algorithms and problem solving.

OCI Developer Apprentice | Cetus Technology | Feb 2025 – Jun 2025

Supported OCI/OIC implementations, API Gateway, Oracle Functions, XML/JSON transformations and integration testing.

Teaching Assistant – Object-Oriented Programming | Pontificia Universidad Javeriana | Feb 2024 – Feb 2025

Mentored Java and C++ programming labs.

Community Manager | Iglesia Cristiana La Promesa | 2019 – Present

Certifications

Oracle OCI Foundations Associate • OCI Developer Professional • OCI Application Integration Professional • Oracle Database Administration I (In Progress)

Education

Systems Engineering – Pontificia Universidad Javeriana (2022–2026)
Theology Studies – Jesus Is Lord International University (2021–Present)
Languages: Spanish (Native), English (C1)
